Established in 1997, the Children's Cove is the only agency of its kind on Cape Cod & the Islands that assists children who have been sexually abused. Data suggests that every six minutes, a child in the United States is sexually abused. Additionally, 1 in 4 girls and 1 in 6 boys will be sexually abused before the age of 18. Children's Cove is dedicated to creating awareness around this devastating issue and minimizing the trauma that these children and families endure. More Info: www.childrencove.org
